Mr./Ms. Farmer

Hi my name is Brid, I live in Hansport

I am 7 years old, Thank you for growing
corn and wheat. With out you we wouldn't
have corn, bread, wheat, carrots, pork, Steaks
Bacon. We wouldn't have food. Do you have
baby animals at your farm? Why did you
want to be a farmer? once, my grand ma
and grandpa came and we had corn.

Grandpa Love's butter on his corn.

When he was done he had butter, all over his face. It was hilarious. Do

you have horses, cows and pigs on your farm? What time do you wake

up? Do you enjoy being a farmer?

I hope you do. Thank you! Bria,
